1 CHOOSE YOUR BOOK STYLE

"A Day in the Life"

Pick 6-12 photos that show your child doing everyday things - for example, brushing their teeth, putting on their shoes, playing at the park, eating a snack, greeting family members, etc.

A pattern book

Pick 6-12 photos of people important in your child's life. You can make a book with sentences that follow patterns such as "Ruby, Ruby, who do you see? I see Mama looking at me!" Or try "Auntie Jazymn loves Sam. Cousin Enzo loves Sam...."
Or, come up with your own pattern!

A storybook

Pick 6-12 photos from a single event, such as a trip to the zoo, water park, Grandma's house, even the library!

Your choice!

What kind of book would you like to create? Pick 6-12 photos to tell a story in any way you choose!

2 SHARE PHOTOS

Email your photos to sbattle@dppl.org. In the message, write your name and the number of photos that you sent. You will receive a return email that verifies that all the photos were received. Or, share photos via Google photos.
